**Dr. Silvia Sorescu**  
**Policy Analyst, OECD**

Dr. Silvia Sorescu joined the OECD in 2010 and is currently a Policy Analyst in the Emerging Policy Issues Division of the OECD's Trade and Agriculture Directorate. She has been working on a wide range of international trade and agricultural policy issues. In the context of her work on trade facilitation, she has been a core part of the team elaborating the OECD Trade Facilitation Indicators for more than 160 countries, as well as identifying and analysing good governance practices adopted by OECD and non-OECD economies in implementing trade facilitation reforms. Ms. Sorescu also co authored OECD reviews of agricultural policies in Indonesia and Colombia and is currently working on evaluating agricultural policy developments in China and India.

Prior to joining the OECD, Dr. Silvia Sorescu worked as a Research Associate for the World Economy Group, an academic research center at the Paris Institute of Political Studies (Sciences Po Paris), on various trade policy and European Union policy issues.

**Dr. Shingo Kimura**  
**Policy Analyst, OECD**

---

Dr. Shingo Kimura is an Agricultural Policy Analyst at the OECD Trade and Agriculture Directorate, where he covers agriculture, food security and agricultural innovation policy in China and Southeast Asia.

Before joining the OECD in 2007, Dr. Shingo Kimura had a number of posts in Ministry of Agriculture, Forestry and Fisheries of Japan. He has a Ph.D. in Development Economics from National Graduate Institute for Policy Studies in Japan and Master of Public Administration in International Development from Harvard Kennedy School of Government in the United States.
